EXPERIENCE

Jun 2023 – Aug 2023

IT Technical Support, Bank of Canada

Assisted in the deployment of new Windows Autopilot devices to end users. Alongside the physical deployment of the new devices, I was also responsible for assisting with any issues that the end users had with their new devices.

Sep 2022 – Jan 2023

JavaScript & GitHub Tech Lead, Coder Sports Academy

Responsible for managing a small team of three other students and producing educational materials for teaching students how to learn to code in the JavaScript programming language. Alongside my daily tasks, I also took on some additional projects such as moving the organization over to GitHub and helped to explore new ways of delivering learning content.

Jun 2021 – Aug 2022

Bus Cleaner, Roxborough Bus Lines

Responsible for the cleanliness of school buses at the Greely location by performing thorough interior and exterior cleaning tasks.

EDUCATION

Sep 2020 – Jun 2024

High School Diploma,
South Carleton High School
